Steve (SBD Westfield) - FTD 76.26

Matt - 1st in Class, 2nd Overall - 79.72s

Speedscene report:

'With no single seaters present it was left to the much campaigned (with more drivers than an F1 Minardi!) SBD Westfield to dominate proceedings with British Sprint star Steve Broughton coming out ahead of another of the car's regular drivers, Matt Hillam, to take FTD. These two were the only drivers to circulate in under 80sec.'
