After Pembrey the SBD Dallara went John Hansell at Fibrelyte to have new bodywork part made, then it was going to BTB Exhaust for a new exhaust system.

Brighton Speed Trials, 2 Sept

Bill & Carole were the fastest car in practice finishing in 10.76s (yes, both of them!). Unfortunately on returning to the paddock, they discovered a crack in the chassis, which meant they had to withdraw from the meeting. If they had been able to carry on, they would have likely both qualified for the Top 6 Run-off.
